Cocktails & a Chauffeur at the Crescent Hotel

Crescent Hotel Bar

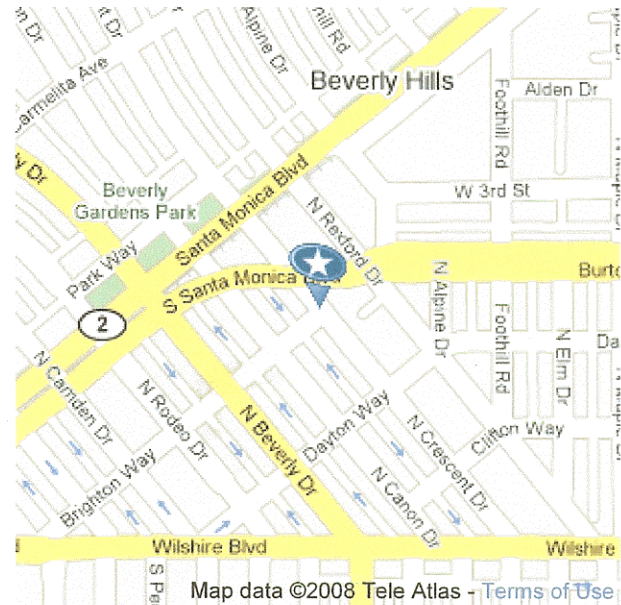

403 North Crescent Dr.
Beverly Hills, CA 90210

The Crescent Hotel in Beverly Hills shows us how to poshly party and still make it home safe. The "Cocktails & a Chauffeur" package includes a night's stay in one of their Queen Superior rooms, freshly shaken martinis, entry into some of L.A.'s most exclusive restaurants and bars plus a sweet ride to get you there. Your personal chauffeur for the evening will see to it that after you're done partying like a Hilton, you arrive safely back at the hotel (so you don't pull a Lohan). And for the morning after, when you wake up feeling more deathly than decadent, the package also offers a breakfast specially prepared to fight that nasty hangover.
